

## **Personal Home Caregiver Needed**

Looking to hire a personal caregiver for a **[insert short description: example: “87-year-old woman with Alzheimer’s disease.”]**

Our family is seeking a compassionate, highly-skilled and reliable personal caregiver to be a part of our care team for **[relationship to loved one: example: “our mother”]**. You will be working in her home, assisting her with basic care tasks such as personal hygiene, medication administration, accompaniment to medical appointments, and other domestic tasks as necessary.

### **Personal Home Caregiver Duties and Responsibilities**

- Ability to arrive to shifts on time, maintaining reliable personal transportation
- Interacting with **[our mother]** and others in our home
- Understanding or willingness to learn about the progression of Alzheimer’s disease and implementing respectful communication practices
- Administration of necessary medications and following a documentation procedure
- Meal preparation and planning
- Light housekeeping duties

### **Personal Home Caregiver Requirements and Qualifications**

- Certification in First-Aid and CPR (or willingness to complete during trial work period)
- Valid driver’s license
- Ability to occasionally lift heavy objects and perform physical caregiving tasks

### **Compensation**

- \$25.00/hour; 1 hour time off per 20 hours worked; 1 hour sick leave per 30 hours worked

**Contact [name] for more information at [phone and email]**
